Ms. Pakprapai Thontiravong , First Secretary of the Royal Thai Embassy, together with her assistant, Ms. Jasmine V. Ferrer, called on NDA last April 13, 2011, to explore possible bilateral cooperation.

The numerous visits done by Filipino dairy farmers and members of the academe to Thailand on dairy-related issues convinced Ms. Thontiravong on the need to explore formalizing an exchange visit of top level officials of the Department of Agriculture, especially those involved in the dairy and the livestock sectors.

Mr. Rene M. de Guzman, NDA focal person for International Relations, listens to Ms. Ferrer as she discusses the salient features of the exchange visits and terms of reference that both countries expect to follow while Mr. Sulpicio C. Bayawa, Jr., OIC for Operations, expounds on the details of the NDA programs and services to Ms. Thontiravong.
