

## Milk Quality Assurance Refresher course for NDA personnel held

The NDA Field Personnel from Luzon , Visayas and Mindanao together with Deputy Administrator Naomi K. Torreta (in blazer)ham it up for the camera after the completion of a 3-day training on Milk Quality Assurance .

The seminar workshop is one of the series of activities geared at enhancing personnel skills and to refresh their knowledge to be more abreast with recent developments in Milk Quality Assurance. The participants are a mix of veterinarians, project development officers, food technologists, information officers, marketing staff and training officers of the agency.
