

DBM Analyst gets Mooving to Inspect Dairy Multiplier Farm in Bohol

Ms. Divine Perales (in pink), former DBM Analyst for NDA and Ms. Mrin Cachuela, newly assigned DBM Analyst, for NDA , thumbing up , get up close and personal with the dairy cows at the Dairy Multiplier Farm in Bgy. Calanggaman, Ubay Bohol. They were able to see the newly installed milking parlor as well as the ongoing pasture development in the 76 ha pasture area. In situ to give first hand information is Dr. Mabel (in checkered shirt). DOLE-Bohol Provincial Director, Wilson Cenas, was likewise present during the ocular inspection.

Ms. Divine Perales, hams for the camera while overlooking the vast expanse of forage development ongoing at the Dairy Multiplier farm in Ubay, Bohol.

Fr. L-R: Dir.Grace Chua of DBM, Adm. Grace J. Cenas of NDA and Governor Edgar Chato of Bohol in different moods as seen through the lens. These were taken during the MOA signing held at Tubigon , Bohol last November 12, 2011. The gathering proved auspicious as funding and logistical support poured in from the local and national government offices.

DOLE-Bohol Provincial Director, Wilson Cenas, plays it coy, while Chairman Ricafort , happily accepts the P100,000 check from Governor Chato. Happiness can be the dairy farmers , Adm. Grace J. Cenas of NDA and the rest of the attendees in the said event. With the money on hand, things bode well for the project.
