

Meet Camille Ignacio, our new PR Assistant and Joey, our HRD Aide cumLegal Assistant

Camille A. Ignacio or simply Camille is the latest addition to the NDA family. She is a product of The Manila Times School of Journalism and now the Public Relations Assistant assigned to the Office of the Administrator. Before she became part of this new family she was a former disc jockey in two fm station namely 107.5 WinRadio and 91.5 BigRadio. She is a keen and youthful lady that will surely add splash to the agency. Her gift of gab and innate beauty as well will come in as a welcome respite to add a new dimension in public relations.

Josefia B. Longcanaya, is keen in computers, having worked with the Naval Sea Systems Command (NSSC), of the Philippine Navy for 3 years. A diligent and conscientious worker, she has specialized knowledge on computer hardware and software. Joey as we call her has varied experience in clerical works. She also knows how to repair laptop, cell phones, office equipment and electronic appliances.

For now she does multi-tasking by doing HRD work profiling and clerical work and also doubles as legal aide to the Legal Department.

To both of you our warm welcome and enjoy the dairybiz!!!
