

Mr. CELSO O. EDOS - New NDA Coop Man

As NDA prepares to encourage more public-private partnerships in dairying, the greater the need to have capable personnel to assist in the task of organizing more cooperatives.

Celso O. Edos is NDA's newly hired Cooperative Development Officer. He is a native of Paranas Western Samar and graduated with a degree on BS in Agriculture major in Crop Science from the University of Eastern Philippines in Catarman, Northern Samar. His previous employment were with Galaxy Hotel –Casino in Macau as Landscape Supervisor and as Assistant Manager in the Agriculture and Landscape Department, with the Ministry of Interior in United Arab Emirates. He also worked as Landscape Superintendent in a trading and agriculture company in Saudi Arabia.

Prior to working abroad, he had extensive experience in the field of community-participatory planning and budgeting, socio-economic project conceptualization, project implementation, monitoring and evaluation, training module preparation and packaging, training facilitation, project assessment and evaluation.

To Celso our warm welcome and as the saying goes the "Waray-waray" tribe cuts across all sectors and groups in the country...walang inuurungan dahil matatapang..... and by the way, I guess that's what Freemasons are made of..
