

Livestock Expo 2013 a gateway for NDA DMF Programs

The recently concluded 2013 Livestock Expo held at the SMX last August 7-9, 2013 paved the way for would be dairy “bizpreneurs” to know the various programs and the requirements to join the Private-Public –Partnership Programs of the Department of Agriculture. NDA together with NMIS, BAI, PCC and LDC promoted the numerous livestock programs available to the public. The event was attended in by farmers/businessmen from all over the Philippines and foreign countries as well. It also featured machineries and equipment, feed additives, drugs and biologics from local and foreign suppliers. Lectures and seminars on food safety, business opportunities were conducted by the livestock sector group.
