The National Dairy Authority and the Land Bank of the Philippines recently signed a Memorandum of Agreement for a Credit Assistance Facility known as Masustansyang Inumin para sa Likas na Kalusugan or MILK Program.

The ceremonial MOA signing was led by Administrator Grace J. Cenas and Operations Manager Jaime M. Lopez for NDA and President Gilda E. Pico and EVP/Head Agricultural and Development Lending Sector Cecilia C. Borrromeo for Land Bank at the Land Bank Plaza last 13 December 2013.

The MILK Program aims to improve the Philippine dairy industry by enabling qualified beneficiaries such as dairy cooperatives, dairy farmers and other local dairy industry stakeholders nationwide to access credit assistance for dairy production, processing, marketing and acquisition of fixed assets.
