

NDA Participates in the WEB Technology Seminar for Librarians

Ching Lumanta , project development officer IV , and acting as Information Officer of the NDA is one of the 43 participants in the recently concluded Hands-on-Training on " Web Technologies: Training for Development of Library and Teaching Resources" last August 20-22, 2010 at the National Library in T. M. Kalaw St., Metro Manila.

This is one of the many trainings being conducted by the Philippine eLibrary Project, an online network of the major government libraries in the Philippines (DOST, TNLP, UP System, DA and CHED), in cooperation with UP Information technology Training Center (UP-ITTC) and the Philippine Librarians Association, inc. (PLAI).

The training aims to familiarize the participants on web technologies and web resources, create a library /teaching site integrating various web resources and provide activities that will give them the opportunities to expand their knowledge and form a network of colleagues and potential collaborators in web technologies.
