

NewsBits from Visyas - Two dairy cooperatives were formed in Bohol

These past months, two dairy cooperatives were formed in Bohol. These are the the ADFAT-BOHOL or Association of Dairy Farmers of Tubigon, Boho. This group will eventually go into the production, collection, processing and marketing of fresh milk produced in the municipality. The milk will, in due time be sold at the Port of Tubigon, which is the busiest port of Bohol.

Bohol also has another cooperative, (CARE) which is based in the municipality of Danao
