

SPS E-Portal launched by DA and EU

Last January 31, 2012, the Sanitary and Phytosanitary Electronic Portal (DA SPS e-portal) was launched at the Edsa Shangri-La Hotel in Mandaluyong City. The system allows electronic accessibility of SPS issuances, providing improved availability of information and accessibility. The portal was developed with the cooperation of SPS Focal Persons and Information Technologists of various agencies bureaus and agencies attached to the Department of Agriculture.

Guests of honor included Agriculture Secretary Proceso J. Alcala and Ambassador Guy Ledoux of the European Union to the Philippines. NDA Administrator Grace J. Cenas attended the occasion together with other DA agency heads. SPS Focal Persons Dr. Wilfredo Z. Coloma and Ms. Judith Platero together with IT Officer Rey Ramos were also present during the ceremony
