

## Aussie Seeds Trader Calls on NDA Administrator

In a timely visit, Robert L. Hedge , International Sales Manager of Heritage Seeds, from Brisbane, Queensland , Australia , paid a visit to NDA Adm. Grace J. Cenas to promote their quality seeds that will be a good source of planting materials for pasture that will be needed by dairy multiplier investors for the coming batch of dairy animals imported from New Zealand and Australia. This year will make up the 13th batch of importation to beef up and fast track the increase of our local herd inventory and improvement of dairy development in the country.
