

KATIGBAK'S CALL ON NDA MANAGEMENT

Mr. Johnny Katigbak, owner of Daily Dairy Farm in Ayusan I, Tiaong, Quezon and President of Batangas Agribusiness Center (BAC) together with two sons: Bryan and Caoio called on NDA (Adm. Grace J. Cenas, Dep. Adm. Naomi K. Torreta and Operations Manager, Dr. Jaime M. Lopez) today to explore possibility of infusing additional dairy animals to their farm to increase milk production. As the sole supplier of fresh milk to all Starbucks Coffee Shop outlets, Mr. Katigbak lamented that BAC's current volume is still wanting.
