

GELI'S FRUIT AND YOGURT CREATIONS MAKING WAVES IN CDO SUPERMARKET

True to form, Erwin Geli, a former NDA employee based in Northern Mindanao is now making waves in Robinson's Supermarket with his creations.

Photo shown is his wife Emily and his two sons doing the round in the dairy section making sure their products were properly placed in the said supermarket.

Just goes to show local dairy products are at par with other dairy products in the market.
